

EXCLUSIVE INDUSTRY UPDATE

NAVIGATE YOUR FUTURE

The pharmacy industry is coming up to the end of the third year of the current Community Pharmacy Agreement and our **Navigate Your Future Industry session** will help you prepare for 7CPA and beyond.

Connecting people to pharmacy business performance
Norman Thurecht, Partner at Pitcher Partners

Norman works closely with pharmacy owners providing advice on managing and driving their businesses to improve profit results by staying in touch with the latest industry trends, government regulations and consumer demands.

Driving your pharmacy's point of difference
Darren Dye, CEO at Pharmacy Alliance

With 650+ Pharmacy Alliance members, Darren spends much of his time helping pharmacy owners improve their pharmacies. Darren will present real-life examples of how he was worked with pharmacy owners to differentiate themselves from their competition and make a difference to the health of their local communities.

Deliver patient-focused, financially viable professional services
Nikita Kapadia, Pharmacist Business Partner at Pharmacy Alliance

Nikita has had extensive experience in community pharmacy as a pharmacist manager and a proven track record for increasing pharmacy revenue and operational efficiency. In her role at Pharmacy Alliance Nikita works with pharmacies to develop new programs that are innovative and increase the profile of community pharmacists.
